

**GRAND COUNTY
BOARD OF COUNTY COMMISSIONERS
AGENDA
(CSU Extension Hall 210 11th St., Kremmling, CO 80459)**

Monday, November 7, 2016

A work-session agenda is structured to give the Board of County Commissioners an opportunity to touch base with each other, staff, and invited community members and organizations to discuss and work through issues the county is facing, but not ready to take official action on at a regular Board meeting. Work sessions are open to the public (with exception of executive session). However, public input is typically not taken during a work session unless specifically asked for by the Board.
