Subject: [External Sender] Marijuana shop in Granby

Dear Grand County Commissioners,

As a resident of Grand County, I am deeply concerned about the possibility of there being a marijuana shop at 843 W. Agate in Granby. The proximity of this shop is close to the elementary school and also near the intersection of Hwy 40 and Hwy 34 which is the main road through Rocky Mountain National Park.

I wish to make my voice heard by declaring that I am very much against this shop opening and would ask that the Grand County Commissioners seriously consider this matter and vote NO on this issue.

Sincerely,
Katie Knies
Grand County Resident
